

(b) Remarks:

In the Advisory Action of July 2, 2008, the Examiner noted that applicants' arguments submitted in the Response After Final Rejection filed June 19, 2008 would be more persuasive if submitted in the form of a suitable Declaration. Accordingly, attached hereto is an executed Rule 132 Declaration by Hirokatsu Miyata, one of the co-inventors of the subject application. Dr. Miyata has responded to each of the Examiner's stated concerns in the Advisory Action by providing an appropriate technical analysis corresponding to the arguments previously presented in the Response After Final Rejection.

If, after reviewing the executed Rule 1.132 Declaration and this Supplemental Response After Final Rejection, the Examiner has any remaining concerns, it is requested that the Examiner contact the undersigned to resolve them.

Accordingly, it is requested that the Examiner withdraw the final rejection, allow the claims and pass the case to issue.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,

/Peter Saxon/
